**It is my pleasure to introduce and welcome our new directors:**

**Marsha Swanson, Director-Appointed**

Marsha and her husband John have been Wildomar residents for 32 years. Not only is Marsha on the Board of Directors for the Wildomar Chamber of Commerce, she is a member of the Murrieta Chamber, Lake Elsinore Chamber, California Association of Realtors, National Association of Realtors and a Director for Southwest Riverside Association and California Association of Realtors, Past Director of the Wildomar MAC and Past President of the Board of Realtors. She has 3 daughters. Jamie Scranton lives in Wildomar, Cheri Zamora lives in Wildomar and JJ Swanson-O-Neal lives in Lake Elsinore. Marsha is also a proud grandmother of 7 and a great-grandmother of 3.

**Vonnie Holmgren, Director**

Vonnie has lived in Wildomar since 1967. She is a widow after 47 years of marriage. Vonnie has 4 children and 8 grandchildren. All her kids attended Wildomar Elementary school, where she was involved in the PTA. Vonnie has worked for Comcast for 19 years, in the Production Department. She works with non-profit organizations and community groups. In addition, she runs the camera for city council meetings and studio shoots. She is currently scheduling elected official for CNN HLN spots.

**Tina Tyra, Director**

Tina is the owner of "A Labor of Love Adoptions". She has been an adoption facilitator for 12 years, with a background in the medical and legal fields before that. While working in Labor and Delivery for 5 years, she was trained as a neo-natal bereavement counselor. Building families through adoption is truly her labor of love and, thus, the name of her company. She is the mother of 3 children, ages 20, 17, and 12. She lives in Wildomar and her company is based in Lake Elsinore. Her business is nation-wide and she is also co-owner of an adoption agency in Missouri called "A Gift of Hope". Through her company, she has provided scholarships to local teens and sponsorships to local sports teams and the Lake Elsinore Storm. Tina is very interested in our community and you'll frequently see her responding to community issues in the "letters to the editor" column of the Californian. To quote Dr. Seuss, "A person is a person, no matter how small".

**Haley Farnam, Director-Elect**

Haley, California native born and raised in the Inland Empire, came to the city of Wildomar in 1999. She resides here with her husband Scott, 2 sons and 1 daughter. She is a licensed Real Estate Broker and Public Notary. Scott and Haley own and manage a Real Estate Sales, Development and Loan office in Lake Elsinore. They are very involved in their community and enjoy all that it has to offer... from dirt biking, horseback riding, boating and even riding through the Oretagas on their Harley.

I think the Chamber is really lucky to have these 4 dynamic and very busy women on our Board of Directors!

Don't forget the Town Hall Meeting scheduled for Saturday, December 3rd at David A. Brown Middle School on Grand Avenue from 9-12 p.m. This event will have useful information for everyone.

Sincerely,
