October

Fall is here and with that we have a very fun chamber mixer planned by Greatland Financial & Realty. Neil has chosen a "Halloween" theme with a prize for "Best Costume". So mark your calendars for October 24, 2005 from 5:30-7:30 p.m. at 33030 Mission Trail, Lake Elsinore.

We are seeking anyone interested in involvement in the chamber next year, either as a director or committee chair. If you are interested, or want more information please contact Karen 951.245.0437.

The fair has come and gone. It was very successful. The number of hours volunteered by the fair committee was truly a labor of love. Thank you to everyone who helped to make this a fun event for our community.

We are trying to get member plaques for all the members and if you haven't received yours, please let us know. By the way, go to our website and check our membership list and see how much we have grown (or are growing).

Look for the new sign going up on Mission Trail at the end of this month.

If you would like to host a chamber mixer, please contact the chamber office for more information. It is good publicity for your business and it provides a good networking experience for members and potential members.

Sincerely

President
