**Dear Chamber Members:**

The chamber office would like to obtain a display case to showcase Wildomar Chamber promotional items. Anyone who has a glass retail display case and wishes to donate it to the chamber, or knows of one, please contact Karen 951.245.0437.

The second work station and computer with DLS capabilities is up and running, thanks to the work of chamber member PC Dynamics (Roberto Romero).

If any of you have knowledge of Grant writing, or are computer savvy and wish to volunteer your time doing non-profit research, we now have a group forming at the chamber. Please contact the chamber 951.245.0437 or Director Tina Tyra 951.674.8400.

Business card displays are now in and our goal is to have all of our members business cards on display. Please bring a supply of your business cards into the chamber as soon as possible.
